**Tara Energy Proudly Supports Latest Opening of Ibn Sina Foundation's
Community Health Clinic in Houston**

Clinic to offer access to medical care for low income residents in need

Houston, TX, January 8, 2015: On January 12th, the [Ibn Sina Foundation](#) will open its 6th community healthcare clinic at 5012 North Shepherd Drive with the event to be attended by the Honorable Governor Rick Perry. As power provider for the Foundation's medical clinics, Tara Energy is proud to be a part of this successful community initiative that helps at-risk, uninsured and underprivileged patients secure free or reduced-cost medical care.

[Tara Energy](#) is a subsidiary of [Just Energy Group Inc.](#), a leading North American natural gas, electricity and green energy retailer.

“As a strong advocate of corporate involvement and supporting local organizations that work to improve the livelihood of those in need, we are very pleased to support Ibn Sina in their mission to provide preventive and primary medical care for residents who have limited resources” said Mohsin Khoja, Senior VP and Regional General Manager at Just Energy. “Through our business partnership as well as through the [Just Energy Foundation](#), we are proud to acknowledge this local success story of community action to support local health care needs.”

“We appreciate our long standing relationship with Tara Energy” said Dr. Aijaz Khowaja. “The new facility will provide services to an additional 10,000 families in need, moving us a step closer to our vision to serve more than 100,000 patients each year by 2020.”

Established in 2001, the Ibn Sina Foundation provides equitable health care access to uninsured, underserved and indigent families. Since its inception, the Foundation has provided affordable health care to more than 500,000 patients with comprehensive primary health care, dental services, specialty care and state-of-the-art imaging center.
